

## **Overview of Advantages**

- Environmental product declaration (EPD) in accordance with EN 15804
- Tested for 1,000,000 cycles and 300 kg door weight
- Compliance with EN 179/EN 1125, EN 12209
- Panic function inwards/outwards switchable
- Optional: Bus system with integrated monitoring sensors and simplified connection via 5-wire cable
- Latch, reversible between DIN left and right in new design for greater strength and with integrated noise reduction
- Closed lock case
- Security fittings and oval roses can be screwed on through the lock
- Optional: Bus System with integrated monitoring function
- Deadbolt with anti-tampering design
- Developed for Euro profile cylinder and Swiss round Profile cylinder

## **Product description**

• OneSystem panic lock N11XX according to EN 179 and EN 1125 for standard doors. Approved for fire barriers according to EN 1634 / product-specific environmental product declaration (EPD) according to EN 15804 with article-specific parameters / tested for 1,000,000 cycles and 300 kg door weight.

## **Technical data**

| Bolt throw              | 20 mm               |
|-------------------------|---------------------|
| Latch                   | DIN L/R             |
| Standards               | EN 179, EN 1125     |
| Monitoring              | No                  |
| Symmetry                | symmetrical         |
| Self-locking system     | No                  |
| Distance                | 72 mm               |
| Handing                 | DIN L/R             |
| Backset                 | 65 mm               |
| Handle follower         | 9 mm                |
| Front plate             | R3 x 24 mm          |
| Type of cylinder        | Profile cylinder    |
| Suitable for fire doors | Yes                 |
| Material faceplate      | Stainless steel     |
| Face plate length       | 235 mm              |
| Mounting                | Standard panic lock |
| Panic function          | D                   |
| Obenverriegelung        | No                  |
| door system             | Single-leaf door    |
|                         |                     |
| Article number          | N1108400913000K     |
|                         |                     |
